ORDER RETURNING UNDOCKETED APPEAL TO EXAMINER

This application was electronically received by the Board of Patent Appeals and Interferences on August 17, 2009. A review of the application revealed that it is not ready for docketing as an appeal. Accordingly, the application is herewith being returned to the Examiner to address the following matter(s) requiring attention prior to docketing.

A prior "Order Returning Undocketed Appeal to Examiner" was mailed on August 14, 2008, wherein the Examiner was instructed to issue a revised Examiner's Answer for the new grounds of rejection. A review of the file finds that a revised Examiner's Answer was submitted however, the Technology Center (TC) Director's signature is missing.

MPEP § 1207.03 states:

Any new ground of rejection made by an examiner in an answer must be:

(A) approved by a Technology Center (TC) Director or designee; and
(B) prominently identified in the "Grounds of Rejection to be Reviewed on Appeal" section and the "Grounds of Rejection" section of the answer (see MPEP § 1207.02).

CONCLUSION

Accordingly, it is

ORDERED that the application is returned to the Examiner to:

1) issue and mail a PTOL-90A which includes the required signatures noted above; and

2) for such further action as may be appropriate.

If there are any questions pertaining to this Order, please contact the Board of Patent Appeals and Interferences at 571-272-9797.
